21. (Unclassified - DFM) LIAISON Received a call from Howard Liebengood, aide to Senator Howard H. Baker (R., Tenn.), who asked for whatever unclassified maps the Agency had on China.

23. [redacted] - DFM) ADMINISTRATIVE - DELIVERIES Delivered to Ben Marshall, Audrey Hatry, and Lot Cooke, Senate Select Committee on Intelligence staff, a letter to Chairman Daniel K. Inouye (D., Hawaii) from Mr. Cary regarding David Bushong's, also of the Committee staff, request for additional data on Panama; compartmented briefing acknowledgements for signature of new Committee staff members; material on Panama for the review of Howard Liebengood, aide to Senator Howard H. Baker (R., Tenn.); a classified Agency publication entitled "Eastern Europe The Growing Hard-Currency Debt" for Joe Kirchheimer, of the Committee staff; Headquarters Instruction Sheet [redacted] and a letter to Senator Walter D. Huddleston (D., Ky.) from the Director regarding definitions in the intelligence charter.

24. [redacted] - DFM) LIAISON Met with Bill Miller, Staff Director, Senate Select Committee on Intelligence, and covered several subjects. Miller said he wants the biweekly substantive intelligence briefings to continue through the recess and said he thought this was a very good program.

I asked Miller what his current thinking was on his relations with GAO and showed him a recent GAO inquiry as an example of the types of requests we get from them. Miller did not believe this particular one should cause any problems. However, on the overall subject, he indicated the new intelligence charter would have a section on GAO audit through the auspices of the Senate Select Committee, and could perhaps limit dealings with GAO to the Committee. Until such a provision was enacted, however, Miller said he thought we would have to continue to deal with GAO.

25. (Unclassified - DFM) LIAISON Met with David Bushong, Senate Select Committee on Intelligence staff, who gave me a list of additional cables on Panama which he needs.
